Important factors - why you'll want to buy here :

In the second quarter of 2023, residents of the first priority will receive the keys to the houses

01

SAFETY

The gated community is closed from strangers, guarded within 24 hours, and provided with CCTV cameras

02

ARCHITECTURE

The houses were created according to the author's project: each has floor-to-ceiling glazing, under roof parking, a fireplace, and a large terrace

03

COMMUNICATIONS

Centralized communications have been installed: gas, electricity, sewerage, water supply

04

CLEANLINESS

The management company solves domestic questions and maintains order on the territory

05

IMPROVEMENT

The settlement has a large playground for children and a sports ground for playing tennis, basketball as well as mini-football.

06

COMMUNITY

Friendly neighbors: people with similar life values, many families have children

NEAR THE COMPLEX ARE
